Church of the Assumption Religious Education
(We C.A.R.E.)
Family Volunteer Form
(Please return with your child's registration)

Over the past year at Church of the Assumption, we have come together to forge a relationship that bonds us as a parish family and as a family there are many needs. Your support in helping to fulfill those needs will help to lift the burden from obligation and turn it into joyful service. The example of your service is the greatest teacher you provide for your child in what it means to be a follower of Jesus.

In order to provide a safe environment for the children in our Religious Education Program, as well as support the ongoing faith formation for parish families, each family is asked to contribute service to the parish. Please indicate where you would like to be involved by choosing from the service options listed below.
